issue of NOC should not be executed in case it is sought to be excluded from the restricted area. This is important point is: Does not the Army HQrs & GOC will issue stamp that the citizen in question is allowed access to be released RD after taking action to dispose off the case as he thinks otherwise and Secretary MOD should issue NOC to be issued by the Addl. RD Cam, in turn, issue a NOC which may take action to give true picture of the case for parliamentary and official assurance. Records can be looked up and statement to Court about or in favour of citizens, including the one not released, as per Rules of 1969. This point may please be clarified.

G. Hanmanthappa of Dandenkop, vide please his Order No. LND-III-7-SR-1601 dt. 25-12-67 at page 95 in the Records placed below. According to this order, the land is to be granted to this applicant subject to the usual conditions to be imposed by the R.D. after the area is actually disforested.

(2) Since the area in question is a Reserved Forest, a statutory Notification as at page 5 is proposed to be issued by the A.F. Deptt. to enable the R.D. to dispose of the land as per Rules, vide please ✓ on page 5.

(3) Therefore, further clarifications on the points whether the area in question is to be disposed of in favour of the applicant etc., may please be obtained from the D.C., Kanara. With this, this file may be returned to R.D.

Note 5

(1) The point raised by the RA under note 3 does not at all arise, inasmuch as, the proposal for disforestment of the Land in question has been mooted by the Dist. Comm. after deciding to grant the Land in favour of the individual / applicant. This grant, needless to say has been made in accordance with the Land grant Rules. The only formality to be completed is to issue a Notification u/s 28 of the Forest Act, disforesting the area in question.

(2) Notwithstanding the above, if in case the D.C. were to subsequently feel that the applicant is not financially competent to develop the Land, @ an estimated cost of Rs. 2000, it is open to the D.C. to revoke the grant & execute some other eligible person for the grant, under the Land Grant Rules.

(3) So far as the AA is concerned, the grantee is immaterial. All that is to be seen is whether the provisions of Rule 11 of the M.L.G. Rules 1969 have been kept in view by the C.C.F,

6

and whether there is any objection to the diversement of the land. The DFO & the CF have both recommended for releasing the land and the CCF has no objection to doing so.

Hence, the draft notification on Page 5 may be approved.
